Case # 15-873

I met with Kevin Kramer, our daughters father at the Park by the Library. He asked me to meet him there. He first contacted me at 1:55 pm this day. He wanted me to bring Madeline somewhere she could ride her tricycle. He asked me to get out of the car + go watch them. I stayed in my car and let him just enjoy time w/ her. He later came + accompanied me in my car as we do make a valiant attempt at getting along for Maddy's sake. Also we were going out to eat after. Kevin has had a violent streak to me, some reported, some not. But today he was sitting in front w/ Maddy just hanging out, she wanted to sit in front seat. car not on or moving. Maddy was pressing on Star. Kevin in front w/ Maddy me in back. I reach up to shut it off + try to fix on Star + Kevin smacked my arm. I called Police to ask if Shats battery or not. They showed up. He hits me sometimes + I dont know when to call or not.

I have read the above statement consisting of 1 pages and attest that it is a true and accurate account of the events which took place on or about 01-18-15. It was given to me voluntarily, without any fear of threat of promise of reward.
